ATTORNEYS AT LAW

---

## LEGAL NURSE CONSULTANT

### **Description**

WEATHINGTON, LLC, a medical malpractice defense litigation firm located in downtown Atlanta, currently has an excellent full-time employment opportunity in our office.

### **Position Summary**

The Legal Nurse Consultant is an integral support position to all WEATHINGTON attorneys, specifically as it relates to medical expertise. The LNC demonstrates self-directed professionalism, high attention to detail, and the ability to prioritize multiple case loads in an organized and efficient manner.

The LNC position is primarily in-office with a limited remote work environment available.

### **Duties & Responsibilities**

- Complete initial review of case identifying, organizing and analyzing pertinent medical records and liability assessment of case.
- Prepare medical chronologies, timelines and medical record summaries or other styles of summaries of documentation in medical charts and records.
- Identifies and facilitates reviews by expert witnesses.
- Prepares case evaluations including causation and damages issues.
- Conducts medical literature research for various cases.
- Identify applicable standards of care in medical malpractice cases.
- Evaluate case strengths and weaknesses.
- Draft or review and analyze medical portions of legal documents.
- Educate attorneys and clients regarding relevant medical issues, medical terminology and other key case information.
- Participate in case management and case strategy discussions.
- Participate in deposition preparation.
- Participate in Trial preparation including preparing tables, charts, graphs, trial exhibits and demonstrative evidence for the jury/trial.
- Attend trial as a member of the team.

### **Skills & Competencies**

- Excellent written, oral, and email communication skills with emphasis on gathering and disseminating medical information from a variety of sources and organizing these into user-friendly configuration.
- Ability to self-direct and manage strict deadlines

- Flexibility and ability to respond quickly and positively to shifting demands.
- Proficiency with Microsoft Office Suite (Word, Excel, Outlook).

### **Qualifications & Prior Experience**

- A Bachelor's Degree in Nursing, active RN license and clinical background required.
- Minimum of 10 years combined experience as an RN and LNC.
- Ability to work in a competitive, collaborative, collegial environment.
- Previous experience in a legal environment and trial preparation preferred.
- Previous experience with iManage preferred

### **Compensation Package**

WEATHINGTON's LNC is a full-time position offering a competitive salary with a robust offering of benefits.
